#### Other information to be considered:

1. Service Provider is to measure the required course(s) during set up with verification by TriHK officials.
2. The setting up of all swim course(s) must be completed by the Service Provider at least 1 hour before the start of an Event and should be dismantled by the Service Provider as soon as reasonably practicable after the completion of an Event.
3. All necessary equipment including but not limited to GPS, walkie talkie etc. are to be provisioned by the Service Provider. Service Provider should include the equipment list with the proposal.
4. As permits are subject to approval from the government and approval from relevant parties are to be sought, the final number of events and actual event dates as listed under Race Information are subject to change.

5. A site visit will be arranged by *TriHK* with the Service Provider 3 weeks prior to each event date.
6. *TriHK* reserves the right of the final decision on Event Name and Event information without prior notice.
7. *TriHK* reserves the right to change the venue set up prior to the event and the Service Provider is expected to accommodate such changes as necessary.
8. *TriHK* does not bind itself to accept the lowest tender (or the highest combined score for a tender which adopts a marking scheme) or any tender, and reserves the right to negotiate with any tenderer about the terms of the offer.

**Proposals submitted must include:**

1. Details of charging method for each event.
2. Information of successful track record in multi-sports events and qualification of on-site personnel of the Service Provider who may be assigned to the event(s).
