

2025 Clubs Series Awards

Club Categories

For each Series, there are a overall Club Series Award

Remarks:

1. All Duathlon, Aquathon and Triathlon races successfully organized, will be included in the Series Award and Overall Club Series Award.
2. Only members of TriHK Affiliated Clubs who are also members of the TriHK by the time of entering the race will be eligible for the Club Award.
3. Scores obtained by all Clubs members participated in all the events organized by TriHK during this year will contribute towards to the Overall Club Series Award.
4. Scores obtained by athletes racing in the Elite/Youth category or member of the National/Regional Squad will not contribute towards the Club scores.

Club Series Ranking

The ranking methodology is as follows:

- Individuals are not allowed to change the Club they represent during the year. Individual have to represent the same Club throughout the year.
- Individuals may only contribute to their Club's ranking subsequent to the TriHK being notified of such membership – ranking points will not be allocated retrospectively;
- Clubs will only be included in the rankings subsequent to affiliation to the TriHK and the payment of any affiliation fees due – ranking points will not be allocated retrospectively;
- The champion in each Club category in each race will be awarded Club ranking points equal to the number of eligible finishers;
- Club ranking points awarded for each subsequent eligible finisher in each category in each race will be one less until the last finisher, who will get one point, with the exception that for Clubs with more than eight eligible finishers in a Club category the Club ranking points awarded to the ninth fastest finisher onwards will be reduced to one point.

Club Awards

- The Top 3 Clubs in each Club category of each Series will be presented with an award.
- Overall Club Series Awards will be presented to top 5 affiliated clubs (combined with all series ranking points)
